• Dancing with the Cars!

The University of Michigan's new car museum, the Henry Ford Museum of Transportation, is set to open in 2010. The museum will be a state-of-the-art facility that will house the world's largest collection of vintage cars. The museum will also feature a variety of exhibits, including interactive displays and live demonstrations. The museum is expected to be a major attraction for visitors to the area.

• Welcome Aboard!

The University of Michigan's new car museum, the Henry Ford Museum of Transportation, is set to open in 2010. The museum will be a state-of-the-art facility that will house the world's largest collection of vintage cars. The museum will also feature a variety of exhibits, including interactive displays and live demonstrations. The museum is expected to be a major attraction for visitors to the area.

• Museum Family Pass
