60 above zero:

Arizonians turn on the heat. People in Alaska plant gardens.

50 above zero:

Californians shiver uncontrollably. People in Fairbanks sunbathe.

40 above zero:

Italian & English cars won't start. People in Alaska drive with the windows down.

32 above zero:

Distilled water freezes. The water in Anchorage gets thicker.

20 above zero:

Floridians don coats, thermal underwear, gloves, wool hats. People in Alaska throw on a flannel shirt.

15 above zero:

New York landlords finally turn up the heat. People in Alaska have the last cook out before it gets cold.

Zero:

People in Miami all die. People in Alaska close the windows.

10 below zero:

Californians fly away to Mexico. People in Alaska get out their winter coats.

25 below zero:

Hollywood disintegrates. The Girl Scouts in Alaska are selling cookies door to door.

40 below zero:

Washington DC runs out of hot air. People in Alaska let the dogs sleep indoors.

100 below zero:

Santa Claus abandons the North Pole. Alaskan drivers get upset because they can't start the Mini-Van.

460 below zero:

ALL atomic motion stops (absolute zero on the Kelvin scale.) People in Alaska start saying..."Cold 'nuff fer ya?"

500 below zero:

Hell freezes over. Alaska public schools will open 2 hours late.
