

Course Syllabus for PHYS F472E (1 credit)

Advanced Topics in Physics

Instructor: Martin Truffer, truffer@gi.alaska.edu

Course Website: <http://www.gi.alaska.edu/~truffer/laciersysics>

Make sure the paper you turn in is not simply copied from someone else. These assignments help me assess your understanding of the material, and will count toward your final grade. **Late work sets (will generally not be accepted)** Solutions will be distributed in class. You are **strongly** encouraged to look at these solutions to help you understand, or to approach, these problems; it will also help for the final.

Final E2a / "

The final exam will be at 1:33 P. 4:23 P. 5. Monday, February 21.

#radin*"

The course grade will consist of the following components"

Your final grade will depend on your overall percentage score - 40-50%, 50-60%, 60-70%, 70-80%, 80-90%, 90-100%. I will use attendance and course participation to round your grade up or down.

Contacting me"

I am available hours 2:00-3:30 Monday - Friday; 11:00-12:00, 1:00-2:00, 3:00-4:00, 5:00-6:00, 7:00-8:00, 9:00-10:00, 11:00-12:00. I will be in the office at the School of Education (Room 102) during these hours. Please call me if you need to see me. You can also meet me in the office, or in the building outside the office, during my appointment.

Comments and Concerns"

You are always welcome to talk to me about anything, or even if you are a non-student after a question or concern that cannot be resolved. I will be happy to help you with anything you need. My office is in the School of Education, Room 102.

Students with disabilities"

I will work with the Office of Disability Services (203-439-2903) to provide reasonable accommodations to students with disabilities.
