

SADA meeting #4

Minutes

3:45-5 pm, Tuesday, November 28, 2017

Student Academic Development and Achievement Committee

**Homework** for the next meeting is to review the different policies and determine what UAF students might need.

Examples include verification of the emergency, timeline for completion of work, etc. Laura stressed that if there is a policy that's written down, it's a clear standard for the instructor as well as a protection for the students if a student complains. It's a key point to have a policy that clearly states the consequences of a student's actions.

A larger policy about leave that is much more about the philosophy of student success might be desirable. Amber Cagwin
