 UAF STAFF COUNCIL #84
 OCTOBER 8, 1996
 SUBMITTED BY ADMINISTRATIVE COMMITTEE

A special Staff Council meeting is scheduled for Wednesday, October 16 at 9:00 a.m. in the Regents' Conference Room to address health benefits. Patty Kastelic, Executive Director for Human Resources and Mike Humphrey, Statewide Director of Benefits will be reviewing national, State of Alaska, and University of Alaska health care trends. Costs for health care services are increasing due to higher charges by health care providers, increasing costs for prescription drugs, greater availability of health care services (technology and treatment) in Alaska, and an aging employee population that uses more services. The State of Alaska and the University must find ways to control the rate of annual inflation in this area. As the University considers its options, employees will need more

information on the University's health care program and the opportunities for change. A general review of the elements of a flexible benefit program and the State of Alaska employees' movement to a flexible benefit program will be addressed. (All Staff Council meetings are open and the public is welcome to attend.)
